### **"Stir It Up" Seminar**

**Wednesday, Sept. 20 9am-3pm**

Leaders need to be continually revived in their spirits and strengthened in their skills. This one-day seminar features interactive equipping and encouraging sessions facilitated by ministry leaders. It's geared to "stir you up" for stronger and more confident Kingdom ministry. "Fresh bread" is being prepared to be served in these sessions. Come get some!!!

#### ► **SESSION I—Dallas Elder** **"Check Your Soil"**

Jesus taught in His Kingdom Parables that Spiritual Perceptivity is relative to one's Spiritual Receptivity which He compared to the condition of one's soil.

#### ► **SESSION II—Tammy Herzig** **"Losing My Religion"**

It's easy to find ourselves working hard to please God without enjoying a relationship with Him. What if the abundant life Jesus promises looks a little different from the one we're currently living?

#### ► **SESSION III—Brady Testorff** **"Do Not Quit on Monday"**

Pastoral ministry is not a sprint, it's a marathon. "Do not grow weary in doing good...." (Galatians 6:9) Do not give up!

**We encourage you to attend the seminar and the full conference. However, we do have flexible options to work with your schedule.**

## Conference Workshops

**Thursday-Saturday Sept. 21-23**

### **ANSWERS FROM THE ARK**

#### ► **Dallas Elder**

Some Bible events seem impossible to wrap our minds around, like The Flood and Noah's Ark. It actually provides many answers for us regarding Creation (Old Earth or New Earth?). It highlights the Nature of God, His Power, His Promises, Redemption and points to the New Heaven and New Earth. We'll unpack the amazing Ark narrative with its past, present and future implications.

### **THE POWER AND PROCESS OF TRANSFORMATION**

#### ► **John Brown**

Have you ever wondered why we don't see more powerfully transformed Christians? What does it mean to be transformed into His likeness? How can that happen? How does that happen? One definition I like is: "Transformation is the process of the deep and lasting integration and assimilation of the character of Jesus." Doesn't that sound great! Let's look into this together.

### **CONSISTENCY IN A WORLD OF COMPROMISE**

#### ► **Frank Armato**

Leadership is the steering mechanism for any group, church or ministry. This workshop on God-centered leadership will present the disciplines of a quintessential leader. It will include: fostering a purpose of excellence, creating an MVP mindset, and establishing a consistent-centric focus.
